

Calling All Cakes!

An elk made of pound cake? A waterfall of frosting over a cheesecake mountain? Help celebrate the Montana Natural History Center's 15th Anniversary by entering a unique nature-inspired cake for our cake contest! Amateur and professional bakers can register to enter this contest by sending back the registration form by June 14th – The earlier we have your registration, the earlier we can start advertising your participation. Open to the first 25 entries! Our celebration will be held on July 15th from 12 – 4 pm.

Cakes will be judged by a celebrity panel on their natural history/nature theme, taste and creativity. The public will also have a chance to vote for their favorite cake during the celebration.

The baker whose cake wins 1st prize gets publicity, an MNHC goodie bag, including a one year family membership, and notoriety around town.

Cakes must have a natural history theme, serve 10 – 12 people and be delivered the morning of July 15th (confirmation letter will include drop-off details) with either an ingredient list or any necessary allergy warnings. Cakes should be able to remain unrefrigerated during the judging and celebration (about 4 hours).

Contact Information:

Montana Natural History Center 120 Hickory Street, Missoula, MT 59801 327-0405

www.MontanaNaturalist.org

Registration Deadline – June 14th, 2006 (confirmation letter will be sent upon receiving the registration form)

Cake Contest – July 15th, 2006

Calling All Cakes Registration Form - Due June 14th

Fill out and return this form to be registered for the contest. Registered bakers will then be sent a confirmation letter with important information including cake entry forms and cake drop-off and judging times.
