*\* Please do not send personal music players or other electronic devices!*

*\* Please do not send expensive items with your child—we try our best, but things do get lost!*

*\* Please LABEL everything you send with your child’s first and last name!*

If your child is taking or needs to carry a prescription (including epi-pens and inhalers) the prescription should be labeled with the date and included in your child’s backpack. Your child is responsible for carrying the prescription at all times. Staff is not responsible for lost prescriptions. Parents may instruct staff as to how and when your child needs to take the prescription.
