

# Phenology Wheel

PHENOLOGY IS THE OBSERVATION  
OF THE SEASONAL AND CYCLIC  
CHANGES IN THE NATURAL WORLD.

TO USE THIS WHEEL, SPEND SOME  
TIME EACH MONTH DRAWING OR  
PAINTING YOUR OBSERVATIONS  
FROM THAT MONTH.

YOU MAY WANT TO PRINT THIS OUT  
ON A HEAVIER CARDSTOCK IF YOU  
ARE CHOOSING TO PAINT.

YOU MAY FOCUS ON ONE SPECIES  
OR EVEN ONE SPECIMEN FOR THE  
ENTIRE YEAR. ALTERNATIVELY, YOU  
MAY WISH TO FOCUS ON THE  
OVERALL CHANGES, OR GENERAL  
FEEL OF EACH MONTH.

IT WILL TAKE SOME TIME TO  
COMPLETE YOUR WHEEL. THAT'S  
HOW IT SHOULD BE!

AFTER YOUR WHEEL IS COMPLETE,  
LOOK FOR PATTERNS OR CHANGES  
IN COLOR OR TEXTURES THAT YOU  
MAY NOT HAVE EXPECTED TO SEE!
